SPIELBAUER FIREWORKS CO., INC.

A Wisconsin Tradition
Your Fair And Hard Working Fireworks Family

Patrick W. Spielbauer
President

Supply chain issues related to the procurement of raw materials, labor shortages, and rising shipping costs have led to the increased price of fireworks this year. With firework shipments trickling out of China, there is a real possibility of a shortage of product this year. Spielbauer Fireworks has been working diligently with our suppliers to secure quality inventory for this season. We continue to work hard to be sure that we are in the best position to serve you. Our goal is to make sure a Spielbauer customer is a happy customer.

TRY US AND YOU WILL SEE WHY.
